## THE PARKMERCED VISION INTERN PROGRAM

### Parkmerced Vision Plan

The Parkmerced Vision Plan will pioneer a complete transformation from an existing, resource consumptive neighborhood located in San Francisco to a vibrant, pedestrian-focused, efficient community for the future. Over a period of 20 to 25 years, the project will replace existing garden apartment homes and construct new residences. In addition, the plan includes public and private community improvements such as neighborhood serving retail, markets, and commercial spaces to be serviced by the realignment of MUNI Metro light rail, neighborhood commons providing social gathering spaces with small retail shops and outdoor activities, large open spaces including recreation fields, and walking and bike paths. The project is fully described in the adopted Development Agreement (D.A.) dated July 9, 2011 and associated Master plan documents. You may find them posted at <http://www.sf-planning.org/index.aspx?page=2529>. You may also refer to <http://parkmercedvision.com/>.

### The Internship

Parkmerced is currently accepting applications for an intern based in San Francisco, CA. Up to two (2) applicants may be selected. This is a paid internship (\$20 per hour) over a 6-month period. During the school year commitment is part-time; hours are negotiable. You must be available for the entire duration of the program. We offer the opportunity to work on construction, engineering, design, and/or planning related projects as an integrated member of our project team alongside professionals and consultants at all levels of their career. Our intern program will expose participants to a wide range of experiences within urban planning, construction, interiors, graphic design, and architecture. The intern will be in the office daily assisting on all aspects of project implementation.

You must meet the following criteria to be considered:

- Currently enrolled or can provide proof of intent to enroll in an accredited urban design, planning, architecture, engineering, or construction related certificate, undergraduate, or graduate program; Parkmerced will give priority to a student currently enrolled at San Francisco State University or City College of San Francisco, but students who qualify from all accredited universities are encouraged to apply.
- Have a 3.0 Cumulative or Major GPA
- Have demonstrated innovative design solutions with excellent analytical and problem-solving skills
- Proficient in Microsoft Office; familiarity with Microsoft Project preferred
- Strong data analysis, mapping, digital graphic, and organizational skills

For consideration, please submit a cover letter, resume, unofficial transcript, and 2-3 work samples (if available) in PDF format. Only complete applications will be accepted. Parkmerced is an equal opportunity employer and makes employment decisions on the basis of merit.

Please email the completed application to [opportunities@parkmercedvision.com](mailto:opportunities@parkmercedvision.com). Completed applications must be returned no later than **January 2<sup>nd</sup> 2017 (Jan-Jun)** and **June 2<sup>nd</sup> 2017 (Jun-Dec)**. Selections will be made in January 2017 and June 2017.
